<p>Note: If, other than the name change, the Firm is not the same legal entity that it was before the name change, whether because of a change in the Firm's legal form of organization or because of other transactions, the registration status of the predecessor firm does not automatically attach to the Firm, and the Firm cannot report the event as a name change. If the Firm cannot make the affirmation required by Item 7.1.e, the Firm cannot execute the certification in Part VIII as to Item 7.1, and this Form cannot be deemed filed under Rule 2206.</p> <p>In that event, the Firm should consider whether, pursuant to the provisions of Rule 2108, the Firm can make the representations required in a Form 4 filing to enable the predecessor firm's registration to attach to the Firm. If the Firm cannot or does not file with the <i>Board</i> a Form 4 making all necessary representations, the predecessor firm's registration does not attach to the Firm. In those circumstances, the Firm may not lawfully prepare or issue an <i>audit report</i> without first filing an application for registration on Form 1 and having that application approved by the <i>Board</i>.</p> <p>Note: If the Firm is filing a Form 4 to report a change in its form of organization, change in jurisdiction, or a business combination, the Firm should report any related name change on Form 4 and not on Form 3.</p>
